## EXPERIENCE

### **Burger King**

Cataño, Puerto Rico

#### *Emerging Technology Specialist*

Jun 2022 – Present

This a self-directed role, integral to long term company strategy, in which I am relied upon by senior management to lead technology upgrades through their end-to-end project lifecycle (evaluation, proposal, configuration, integration, staff training, pilot testing, and deployment) for 175 restaurants, a distribution center that covers all of Puerto Rico, and the central offices. This entails actively engaging in technological aspects while simultaneously overseeing tasks that require collaboration with multi-disciplinary teams across all company departments to optimize efficiency in current processes and establish new systems to enhance service standards.

Spearheading: Voice AI & Remote Drive-Thru Order-Taking, Cloud Point-of-Sale, Data Analytics, Remote Access, Work Management, Inventory Management, Sales Reporting, Kiosks, & Table Ordering

### **Embodee**

San Juan, Puerto Rico

#### *Software Engineering Co-op*

Aug 2019 – Dec 2019

Programmed a library extension for virtual experience software serving clients including Adidas and Nike. Worked with Javascript, NodeJS, and GLSL.

#### *Software Engineering Intern*

Jun 2018 – Aug 2018

Developed algorithms and implemented features into virtual experience software serving clients including Adidas and Nike. Worked with Python, Cg, Unity, XML, Matlab, and C#.

### **C Cubed**

San Juan, Puerto Rico

#### *Web Development Intern*

Jun 2017 – Aug 2017

Built websites and custom software: assisted the full cycle development process including design, coding, implementation, and deployment. Used PHP, JavaScript, jQuery, MySQL, HTML5, and CSS.

### **Burger King**

Cataño, Puerto Rico

#### *Information Technology Intern*

Jun 2016 – Aug 2016

Internship at the local franchise headquarters working with their technology and internal systems department: implementing and managing Tableau for AS400, conducting business analytics for 175 restaurants.

## EDUCATION

### **Rensselaer Polytechnic Institute**

Troy, New York

#### *Computer Science/Cognitive Science*

Aug 2016 – Mar 2020

### **Saint John's School**

San Juan, Puerto Rico

#### *Highschool Diploma*

Aug 2012 – May 2016
